

Mahilani farm house is on Amaulu Rd. just a few miles above Hilo. Cross the Wailuku River behind the post office, turn left on Amaulu and head up the hill. Straight up Amaulu is the most direct but the road becomes rough gravel for a few miles. If you prefer to stay on paved road, take a left on Maikalani at the soccer field. A right on Kupulani St. will bring you back to Amaulu just below the house. Parking will be available along the road. Parking directly in front of the house is available for those who need it.
